Subject: FGL Holdings - FSD 184 of 2020 (RPJ) [MO-LIVE.FID48100758]

Dear Ms Jenesha, Ms Yasmin

We refer to the above-mentioned matter. This email is sent with the agreement of both Maples (for the Petitioner) and Maurant (for the Respondents).

Maples and Maurant have exchanged dates to avoid for a trial of these proceedings in the first quarter of 2022. Maples' trial team is available for a trial listing during March and April 2022. Maurant's trial team is available for a trial listing during the period from 28 March 2022 – 22 April 2022.

The parties therefore respectfully request that the Court list a three-week trial during the available window from **28 March 2022 – 18 April 2022**.

The parties do not expect the opening submissions and the evidence to take 3 weeks, but rather that this will be completed in approximately 10 days. However, discussions are ongoing as to when closing oral submissions should be scheduled, and the parties may in due course seek directions from the Court in this respect. The parties respectfully request that the Court block out the entire period from 28 March 2022 – 18 April 2022 while discussions as to the timing of oral closings are ongoing between the parties. We will endeavour to update the Court in this respect as soon as possible.

Kind regards

Adam
